

v8::internal::RegExpStack
::memory_top

```
graph LR; A["v8::internal::RegExpStack  
::memory_top"] --> B["v8::internal::RegExpStack::end"]
```

A diagram showing a pointer relationship between two memory locations. On the left, a gray rectangular box contains the text 'v8::internal::RegExpStack' on the top line and '::memory_top' on the bottom line. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'v8::internal::RegExpStack::end'.

v8::internal::RegExpStack::end
