The diagram illustrates a control flow or dependency graph. On the left, there are two rectangular boxes. The top box contains the text 'v8::internal::EndNode::Emit'. The bottom box contains the text 'v8::internal::RegExpMacroAssemblerTracer::Succeed'. On the right, there is a single rectangular box with a light gray background, containing the text 'v8::internal::RegExpMacroAssembler::Succeed'. Two blue arrows originate from the right side of the left boxes and point towards the left side of the right box. The arrow from the top box points slightly higher than the arrow from the bottom box.
