

v8::anonymous_namespace
{wasm-js::cc}::WebAssemblyExceptionImpl

```
graph LR; A["v8::anonymous_namespace  
{wasm-js::cc}::WebAssemblyExceptionImpl"] --> B["v8::anonymous_namespace  
{wasm-js::cc}::anonymous_namespace{wasm-js::cc}  
::EncodeExceptionValues"]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box has a white background and a black border, containing the text 'v8::anonymous_namespace {wasm-js::cc}::WebAssemblyExceptionImpl'. The right box has a light gray background and a black border, containing the text 'v8::anonymous_namespace {wasm-js::cc}::anonymous_namespace{wasm-js::cc}::EncodeExceptionValues'.
