

v8::base::VirtualAddress
Space::FreeSubspace

```
graph LR; A[v8::base::VirtualAddressSpace::FreeSubspace] --> B[v8::base::OS::FreeAddressSpaceReservation];
```

A diagram showing a relationship between two V8 classes. On the left is a gray rectangular box containing the text 'v8::base::VirtualAddressSpace::FreeSubspace'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'v8::base::OS::FreeAddressSpaceReservation'.

v8::base::OS::FreeAddress
SpaceReservation
