

v8::internal::wasm
::Handlers::s2s_Memory64Fill

```
graph LR; A["v8::internal::wasm  
::Handlers::s2s_Memory64Fill"] --> B["v8::internal::wasm  
::Handlers::NextOp"]; A --> C["size"];
```

The diagram illustrates a function call sequence. A central box on the left, labeled 'v8::internal::wasm::Handlers::s2s_Memory64Fill', has two outgoing arrows. The top arrow points to a box labeled 'v8::internal::wasm::Handlers::NextOp', and the bottom arrow points to a box labeled 'size'.
