

v8::internal::Variable  
::IsLookupSlot

```
graph LR; A[v8::internal::Variable::IsLookupSlot] --> B[v8::internal::Variable::location]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'v8::internal::Variable' on the top line and '::IsLookupSlot' on the bottom line. The right box is white and contains the text 'v8::internal::Variable' on the top line and '::location' on the bottom line. A dark blue arrow points from the right side of the gray box to the left side of the white box.
